Profile

As a motivated and flexible performer, I have applied myself in many roles, including creating my own company "Arelia" at only aged 15. I performed with this company at various events in Warwickshire. Over the last 5 years I have dedicated myself to performance in circus arts, developing my skills, achieving a BA(hons) degree in Circus Arts and gaining experience of performing in a wide range of venues including in Coventry, Bristol, Cornwall and London, Leeds and Tenerife. My Most recent achievement was successfully passing an audition with Cirque Du Soliel and becoming one of their Artists.
